

BABANGIDANCE (1)

**A little to the right
A little to the left
Watch your step shake your waist
Dance to time watch your tilt
Don't be slow don't be fast
Sing a song watch its lilt**

**A little to the left
A little to the right
A bit of that a bit of this
Bite a bait but don't be bit
Don't dare demand what it is
Makes Babangidance such a hit !**

BABANGIDANCE (2)

**A little to the left
And nothing can be right
One step forward
And five backward
And stand at ease
Babangidance**

**Is it a jive
A samba jam
A rhumba craze
A rowdy rock
Or just a joke ?
Babangidance**

**You are banned
Totally banned
Then unbanned
Giddy giddy ban
And bang bang bang
Babangidance**

**Rawlings and co
Did a Doe
Turned their coats
Burned their boats
And shot their feet
Babangidance**

**About turn !
Rapid fire !
Order legs !
Slope feet !
And as you were !
Babangidance**

**Take a dash
Don't be dashed
Who can guess
Just what it is
makes Babangidance
Oh, such a mess !**
